

**Pure nutrition
you can trust**

Our Philosophy

To manufacture and sell the highest-quality products without compromise. Herbaroots is Pure Nutrition You Can Trust.

Quality

Herbaroots sets the standard for excellence in dietary supplement and food manufacturing with a robust portfolio of Certifications. We rigorously test each batch for potency and purity and follow Good Manufacturing Practices. Our State-Of-The-Art Quality Assurance extends throughout our global manufacturing network and our manufacturing facilities are USA FDA registered.

Curcumin is the purest, most potent Curcumin available anywhere. Our capsule contains a minimum of 95% curcuminoids—a full range of antioxidants that includes curcumin, demethoxycurcumin and bisdemethoxycurcumin in a concentrated extract. Curcumin is rich in antioxidants like vitamins A (carotenoids), C and E. Antioxidants exert neuroprotective activity and help maintain a healthy cardiovascular system. The herb has been employed in the Ayurvedic healing tradition for centuries. Curcumin supports healthy kidney functioning and cardiovascular health For overall health.*

Thixium is a proprietary blend of active ingredients that includes Ashwagandha, Glucosamine Hydrochloride, Vitex Negundo, Flax Seed Extract, Boswellia Serrata, Chondriotin Sulfate, Vitamin C, Garlic, and Pepper. Ashwagandha has been used in Ayurvedic medicine for over 3,000 years for pain-relieving effects. Thixium supports joint function and joint health; promotes respiratory health and vision health; and supports the immune system. Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. *

Herbagenic is a proprietary blend of active ingredients that includes Gynema Sylvestra, Chromium Picolinate, Curcumin, R-Alpha Lipoic Acid (R-ALA), Cinnamon, Cassia Auriculata, Berberis Aristata and Trigonella Foenum-Graecum. Herbagenic supports healthy kidney functioning and cardiovascular health. Some scientific evidence suggests that chromium may reduce the risk of insulin resistance and may reduce the risk of type 2 diabetes. R-ALA (r-alpha lipoic acid) may help with weight management and energy.*

Herbaslim is a proprietary blend of active ingredients that includes Garcinia Cambogia K+ Salt, Chromium Picolinate and Curcumin. According to Purdue University, Garcinia Cambogia is rich in calcium, phosphorus, iron, thiamine, riboflavin and niacin. Garcinia Cambogia may support weight loss and weight management. Chromium may reduce the risk of insulin resistance and may reduce the risk of type 2 diabetes. Supports healthy kidney functioning and cardiovascular health.*

Herbamax is a dietary supplement specifically formulated for men. The proprietary blend of ingredients include Mucunna Pruriens, Tribulus Terrestris, L-Arginine, Zinc Aspartame (20% elemental zinc), Yohimbe Bark Extract, Maca Root, Avena Sativa Extract, Panax Ginseng Extract, Saw Palmetto Extract, Eurocomia Longifolia Extract, Muira Pauma Extracta and Damiana Extract. Mucunna Pruriens is a tropical legume known as velvet bean native to Africa and Asia. It is used in Indian medicine to increase dopamine levels which influences libido. Herbamax promotes male sexual health support, supports the immune system and increases energy.*

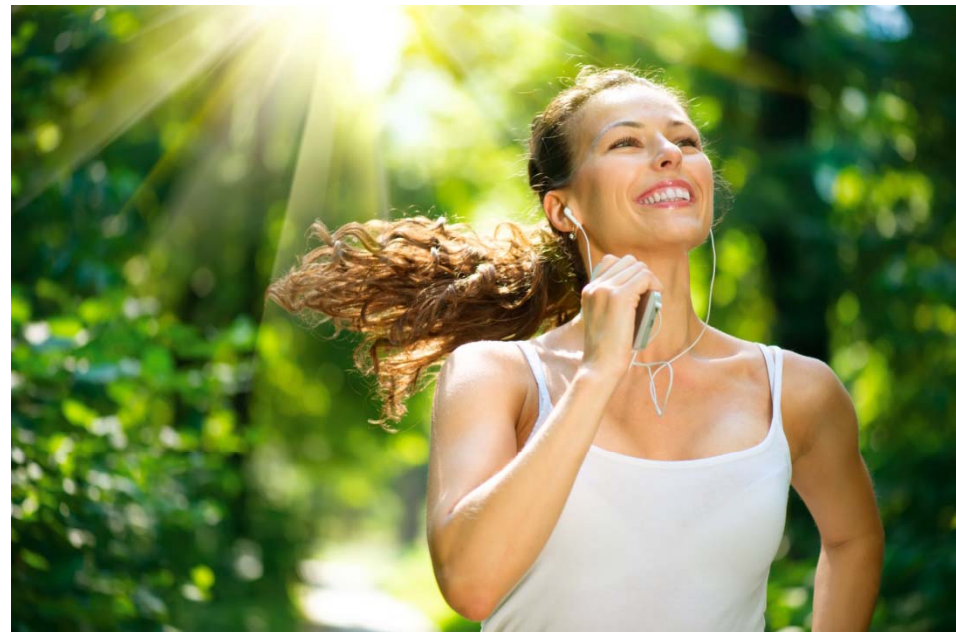

Superfoods is a proprietary blend of multiple organic ingredients. Aloe Vera, Acai Berry, Ashwagandha, Amla, Chlorella, Maca Root, Moringa Leaf, Spirulina and Wheat Grass have been carefully selected for optimal effectiveness. The formulation provides a very rich and expansive source of nutrients necessary for our active lifestyles today. Superfoods supports the immune system, increases energy, may support weight loss and weight management, promotes relaxation and calming.*

Organic Moringa Powder is extracted from the Moringa leaves and pods. This nutrient dense food contains amino acids, 23 essential vitamins, minerals, high level of fiber, protein, co-enzymes and antioxidants. It is considered a Superfood with:

- 2 x more Vitamin A than Carrots
- 4 x more Potassium than Bananas
- 14 x more Calcium than Milk
- 9 x more Iron than Spinach
- 4 x more Fiber than Oats *

Organic Garcinia Cambogia has no fillers, no binding agents and no artificial ingredients. It may support weight loss and weight management. Some scientific evidence suggests that chromium may reduce the risk of insulin resistance and therefore possibly may reduce the risk of Type 2 diabetes. However FDA does not endorse that claim.

Organic Coconut Palm Sugar is a natural, low-glycemic sweetener that tastes just like sugar. Palm sugar is derived from coconut palm where the flower nectar is collected and air dried. The nectar is boiled, concentrated and poured into bamboo where it moulds into solid palm sugar. It contains no chemicals, bleaches, flavors or coloring. Palm Sugar is a rich source of nutrients with 16 amino acids, potassium, iron, zinc and vitamins B1, B2, B3, B6, B8 and B12. Palm sugar can be substituted for regular sugar in any recipe in a 1:1 ratio. Palm sugar metabolizes slowly and easily and its a healthy alternative to high fructose sweeteners and processed cane sugars. *
