with us

Power your business
*with deep market intelligence,
world class sales and cost-
effective distribution*

Robust Sales

1000's of stores targeted and managed by award-winning team.

DMi (Deep Marketing Intelligence)

Product-specific deep market research, analytics and reporting.
Now available for any country around the globe!

Turnkey USA Distribution

Our national distribution network is ready to go. At a fraction of traditional distributor rate. How do we do this? We only charge you the actual costs. That's right, zero mark-up!

Online Sales

Our web sales and promotional program will put your products in front of millions of targeted consumers. By selling direct to consumers online we will significantly optimize your overall sales margin.
